Marc-André Vinson, ACIA, ASA

Senior Consultant and Director
SAI Actuarial Services
Ottawa, Ontario

Marc-André Vinson is a senior consultant and the director of the Ottawa office for SAI Actuarial Services. He has over 30 years of experience in the field of actuarial consulting for pension plans. Prior to joining SAI, Marc-André held various roles with other consulting firms over his career in Montréal, Vancouver and Ottawa. Marc-André has served pension plans registered in every province across Canada, as well as federally registered plans. He distinguished himself by providing consulting in both official languages to multiple boards of trustees and joint pension advisory committees. His primary clients have included public service unions, an international airline and several professional associations. He has also worked with clients in the private, municipal and university sectors, including multi-employer and target benefit pension plans. Marc-André is a graduate of the University of Montréal. He is an Associate of the Society of Actuaries and of the Canadian Institute of Actuaries. Marc-André regularly acts as a speaker on pension matters in industry seminars and webinars, and he has volunteered as a spokesperson for a task force of the Canadian Institute of Actuaries that brought proposals to federal members of parliament in order to retool the Canadian pension system.
