**Director, Human Resources  
Mutual of Omaha Insurance Companies  
Omaha, Nebraska**

Kellee Grimes is a registered nurse, Certified ADA Coordinator, and the director of human resources at Mutual of Omaha Insurance Company. After obtaining her bachelor's degree from the University of Nebraska Medical Center, she earned an ADA Coordinator designation through the University of Missouri and completed her M.B.A. degree with an emphasis in health care administration at Creighton University. Her extensive work as an inpatient cardiac care nurse equipped her with years of experience in diverse health care settings including critical care, quality improvement, hospital compliance and health promotion. At Mutual of Omaha, she provides strategic oversight for all employee health and welfare benefits, including disability inclusion, absence and leave management, and well-being benefits programming. She is a devoted philanthropist working to increase access to health, encourage inclusive practices, and advocate for safe and equitable communities. She and her husband take great pride in raising their children as engaged members of their community.
